Spring 2010 Meal Plan & Meal Card Pricing Information

At St. George's, we are always striving to deliver a high-quality dining experience for your child, while making sure we are not a burden on your checkbook. This also means understanding the needs of your child and how they may differ from others. To address this, we offer three options to make lunchtime flexible, valuable, convenient and safe: the Semester Plan, a Declining Balance Card, or Cash.

FLEXIBILITY & VALUE FOR YOU AND YOUR CHILD.....

The Semester Plan is a great value for the student who buys lunch in the dining room daily. These plans are priced to save on average when compared to the daily cash A La Carte prices and ensure a well-balanced meal.

We are excited to offer a two different meal plans this year to better fit the needs of your child. Our Gold meal plan offers healthier options to students in many forms. Students on this meal plan will be granted unlimited access to our salad bar full of great fresh vegetables and fruit. Students will also be able to help themselves to unlimited refills on their favorite vegetables on the hot line. Students on this meal plan also have access to Izze fruit juice as a beverage option. The A, B, B, C structure still applies.

Our Silver meal plan is our classic A, B, B, C meal plan. Every day you student can choose one entrée from our many delicious hot or cold main entrées (A), two tasty side items (B), and a beverage (C).Izze beverages are not included in this meal plan.

CONVENIENCE & SAFETY

The Semester Plan and the Declining Balance Card eliminate the need for your child to carry cash to school. The Meal Card is kept by the dining staff so that students don't have the responsibility to bring the card to the dining room.

The Declining Balance Card is ideal for those students who do not want a full meal every day. They can purchase items off the A La Carte Menu to create a meal, enhance a meal brought from home, or for a quick snack.
